

This is Amit senior sales manager from Reve chat, We are Singapore based company looking for seasoned companies to partner and promote our live chat software solution that includes audio and video chat, to their customers on commission basis. REVE chat is used by any website that has reasonable traffic but ecommerce's are ideal. Please visit our website www.revechat.com

We are providing a commission of 40 percent on every sale you do.

How it works:

If you have your clients promote our product to them and make payment on 40 Percent discount, later on you can have them pay you on the pricing we have on the website.

It's a win-win situation for both of us, You get straight 40 percent commission on that sale.

PS: Commission offer is only for yearly package and not monthly
