Get started immediately using our artwork, or develop your own!

### Get Paid Directly by Paddle

Our payment processor will help ensure that your commissions show up in your account ASAP!

## Join Our Affiliate Program Today!

CryptoDrop provides bleeding-edge protection against the *growing threat of ransomware*. Our solutions were developed through National Science Foundation-funded research performed by professors in Computer Science at the University of Florida.

CryptoDrop has been independently tested, and *stops every sample of ransomware it has seen on the first attempt*. Join our growing community as We Stop Ransomware!

### How to sign up:

1. Visit us as [www.cryptodrop.org/affiliates](http://www.cryptodrop.org/affiliates) and click "Sign Up".
2. Enter your information and press "Create Account".
3. We will quickly evaluate your application and, once accepted, you can immediately begin selling through your own website!
